

Organized Creativity Virtual Workshop, 21.11.2024, 9.00-13.00

On behalf of the Organized Creativity Group, Dr. **Birke Otto** (Leuphana University Lüneburg, CBS) convened a virtual workshop that focused on two new papers and three projects centered around organizing creativity and innovation. Discussions encompassed topics such as creative constraints in music performance, the role of secrecy in online communities, and conceptual explorations of substitution, experimentation and the relation between AI and creativity. The workshop participants included:

Dr. **Konstantin Hondros**, HSU Hamburg

Milena Karin Leybold, University of Innsbruck

Nico Martinez Feix, FU Berlin

Prof. Dr. **Sigrid Quack**, University Duisburg-Essen

Dr. **Benjamin Schiemer**, JKU Linz

Dr. **Stephan Schrader**, Lund University

Prof. Dr. **Elke Schüssler**, Leuphana University Lüneburg

Prof. Dr. **Jörg Sydow**, FU Berlin

Dr. **Lukas Vogelgsang**, LMU Munich

The next physically get-together of the group will take place at the 3rd Organizing Creativity Transalpine Paper Development Workshop at FU Berlin, May 12-13, 2025.
